Description

3DG was retained as a negotiated GMP contract on this 3 building retail complex. The site work on the job was extremely complicated as it was located within 2 separate municipalities.

Project Features

- Liquidated damages contract. (Finished early)
- 24,100 sf buildings
- Doubled tiered retaining wall
- 500 LF of 48” HDPE pipe underground basin
- Value engineering that saved over \$400,000
